

LET FREEDOM BLING

Chag Purim, Chag Purim,
Pray together Al Hamissim.
A time for schemes, freedom dreams
Like Mardi Gras all wrecked.
Groggers, drinking, prunes and junk.
Pour the whiskey, all get drunk.
Boo hiss Haman what a punk.
Amalek give him drech.
Spirits sweet, lots of treats.
Joy is multiplied this week
G-d's name missing, Esther kissing.
Boray Meenay Mezonote.
Achasueras was a dude;
Haman's vision was so crude.
Thoughts of Amalek I'm not in the mood.
For all Mishloach Mano.
Pray for good in our 'hood
Not just Shushan if we could.
Let's address all oppressed.
Oh let freedom ring.
Lessons from the megillah
Shake the soul like a thrilla;
Apricots, prunes make fine filla
Hamentaschen adored like bling.
