

Adonai -

We look to you as the source of our hope.

May the teachings of your Torah be the true roadmap to a lasting peace in Eretz Yisrael.

If it be your will, give voice and courage to the peacemakers on all sides of the conflict of our time,
that they may lead our people to be a light to the nations.

May Israel's leaders look more to the future and less to the past in their deliberations,
and may you ever be their guiding light.

And let us all say... Amen.
